

Athens Technical College Rotaract Club Distributes Dictionaries to Local Third Grade Classrooms

ATHENS, GA (11/16/2016) - The Athens Technical College Rotaract Club visited Howard B. Stroud Elementary School to deliver dictionaries to third graders on Wednesday, November 16, 2016. The Rotaract Club partners with the Rotary Club of Athens for their annual Dictionary Distribution. Fifty four dictionaries were distributed to three third grade classrooms by nine club members and advisors. Students were able to personalize their dictionaries by putting their names and the year they will graduate high school in the front cover.

Rotaract Club is a service and leadership organization for young men and women wanting to develop as leaders and make an impact in their community. Sponsored by the Rotary Club of Athens, they engage in activities that promote professional development and participate in service projects each semester. Community projects include Plungefest, Dictionary Distribution, Salvation Army Bell Ringing, and Toys for Tots. Campus events include Spring Fling, Owl's Nest, and beautification projects.
