Student Travel Authorization

Before students can travel on a College-sponsored activity, including those sponsored by student organizations, students must complete a “Student Travel Acknowledgement” form, available from the Office of Student Activities or the office website at www.athenstech.edu/StudentActivities. This document includes a section regarding the College’s Code of Conduct, a statement regarding the use of alcohol and drugs, the designation of emergency contacts, as well as a waiver of liability.

A copy of this form should be kept with the College official who is leading the trip. A second copy of this form must be on file with the Office of Student Activities prior to any student travel.
