ATSAC Meetings
Fall Semester 2014

The Athens Tech Student Advisory Council (ATSAC) is a group of students elected to represent the entire student body to the administration and other entities. The functions of ATSAC are:

1. facilitation of effective communication between the student body and Athens Technical College administration, faculty, and staff;
2. participation in approved institutional improvement projects;
3. assistance with selected ceremonies and activities sponsored by Athens Technical College;
4. representation of the student body in certain public relations activities and recruitment of new students;
5. representation of Athens Technical College in selected and approved community projects;
6. approving expenditures of student activities funds;
7. approving budget requests from student organizations.

All students are welcome to attend meetings. The meetings for the Fall Semester of 2014 are:
