You may earn credit for your end of term Owl Award by participating and logging into Angel and typing a summary for each of your extra-curricular activities. You must post 5 or more summaries to be eligible for the Owl Award. In addition to participation, you must also be in good standing at the end of the term. The Owl Award will be presented during a special meeting after grades have posted. There will also be special recognition for other successes.

You may include summaries which include both on campus scheduled events, or off-campus participation or volunteerism that you find interesting outside of the campus.
