

Donor Bricks
Leave your legacy at Athens Technical College!

What are the Donor Bricks?

Athens Tech Foundation Donor Bricks are an opportunity to place a personalized inscription upon a brick which constructs a walkway for the Life Science Building on the Athens Campus or the Coggins Center on the Elbert Campus.

Personalized Inscription

Each Brick may contain up to three lines of print with a maximum of 16 spaces per line including blank spaces between words and punctuation. **Tribute Bricks** may be personalized to commemorate a person, pet, event, institution, or organization. Quotes or words of encouragement may also be used as inscriptions i.e. Pursue Your Dreams.
