

Accelerated Career Pathways give eligible students an exciting opportunity to fast-track their education. With this program, students can earn both a high school diploma and one of the following:

- An Associate of Applied Science Degree (AAS)
- A Technical Diploma
- A Published Program Leading to Licensure (PLL)
- Two Published Technical Certificates of Credit (TCCs)

Students pursuing Technical Certificates of Credit (TCCs) can combine two TCCs within the same program area to meet the requirements for the Accelerated Career Diploma (ACD). The "ACE" Grant covers the cost of the chosen pathway.

Students interested in pursuing Accelerated Career Pathways should contact their high school counselor and their Athens Technical College dual enrollment coordinator.

HIGH SCHOOL REQUIREMENTS

- 2 English Courses (including EOC course)
- 2 Mathematics Courses (including EOC course)
- 2 Science Courses (including EOC course)
- 2 Social Studies Courses
- 1 Health/Fitness Course

Students may replace one Social Studies course with an additional Math course. Local School Districts may NOT add additional requirements above the state minimum.
